

HUSBAND RESCUED DESPAIRING WIFE

After Four Years of Discouraging Conditions, Mrs. Bullock Gave Up in Despair. Husband Came to Rescue.

Catron, Ky.—In an interesting letter from this place, Mrs. Bettie Bullock writes as follows: "I suffered for four years, with womanly troubles, and during this time, I could only sit up for a little while, and could not walk anywhere at all. At times, I would have severe pains in my left side.

The doctor was called in, and his treatment relieved me for a while, but I was soon confined to my bed again. After that, nothing seemed to do me any good.

I had gotten so weak I could not stand, and I gave up in despair.

At last, my husband got me a bottle of Cardui, the woman's tonic, and I commenced taking it. From the very first dose, I could tell it was helping me. I can now walk two miles without its tiring me, and am doing all my work."

If you are all run down from womanly troubles, don't give up in despair. Try Cardui, the woman's tonic. It has helped more than a million women, in its 50 years of continuous success, and should surely help you, too. Your druggist has sold Cardui for years. He knows what it will do. Ask him. He will recommend it. Begin taking Cardui today.

THE COUPER MARBLE WORKS.
(Established 65 Years)
264-268 Bank Street Norfolk, Virginia

Japanese "Movies." Even the remotest towns in Japan have their moving picture shows, and in large cities they seem to be nearly as plentiful as on this side of the Pacific. In Yokohama there is a whole street of them, and, as the program of each is endless and each picture is announced in huge symbols on a separate variegated banner flying from a tall bamboo pole, the aspect of Theater street is startlingly unique. The pictures illustrating the sensational points of the programs above the entrances and at their sides have a certain quaintness about them, which is accentuated by the fact that they are all originals, not mere stereotyped advertisements printed in raw colors. The "gatas" or wooden sandals of the spectators are deposited on a rack before the entrance to a moving picture show, for where other people take off their hats the Japanese leave their shoes—Popular Mechanics.

Basketball. Basketball was the invention of one man and was completed at a single sitting. In 1891, in the course of a lecture at the Young Men's Christian Association in Springfield, Mass., the lecturer spoke of the mental processes of invention and used a game, with its limitations and necessities, as an illustration. James Naismith, who was a member of the class, worked out basketball that same night as an ideal game to meet the case. It was presented the next day in the lecture room and put in practice with the aid of the members of the gymnasium. From there it spread to other branches of the Young Men's Christian Association and subsequently to athletic clubs and the general public.—New York Press.

An Optimist's Epitaph. The Carlstad invalid had ordinarily a surprisingly robust appearance. He looks strong. Scoffers say he has to be to live through the rigors of the cure. There is an apocryphal legend of an epitaph in a Carlstad churchyard:

I was well.
I hoped to be better.
Here I am!

Important to Him. An old lady was telling her grandchildren about some trouble in Scotland in the course of which the child of her clan was beheaded. "It was a great thing of a head, to be sure," said the good old lady. "But it was a sad loss to him."

Spanish Peasants. In Spain the peasant works all day and dances half the night, yet rarely is his food varied from black bread, onion and watermelon.

Things that never could have made a man happy develop a power to make him strong.—Phillips Brooks.

Don't Let Baby Suffer With Eczema and Skin Eruptions

Babies need a perfect skin-covering. Skin eruptions cause them not only intense suffering, but hinder their growth. Dr. Hobson's Eczema Ointment can be relied on for relief and permanent cure of suffering babies whose skin eruptions have made their life miserable. "Our baby was afflicted with breaking out of the skin all over the face and scalp. Doctors and skin specialists failed to help. We tried Dr. Hobson's Eczema Ointment and were overjoyed to see baby completely cured before one box was used," writes Mrs. Strubler, Dubuque, Iowa. All druggists, or by mail, 50c. Pfeiffer Chemical Company, Philadelphia, Pa., St. Louis, Mo.

Stork Fertilizer to Miner's Domicile. There seems to be an especial affinity between the stork and the family of Frank Bartolucci, a miner at Jackson City, Pa. In ten years the bird has brought 12 babies, including three pairs of twins, and one set of triplets. Ten of the children are living.

Can't look well, eat well, or feel well with impure blood. Keep the blood pure with Burdock Blood Bitters. Eat simply, take exercise, keep clean, and good health is pretty sure to follow. \$1.00 a bottle.

AID THE KIDNES. Do Not Endanger Life When a Scotland Neck Citizen Shows You the Way to Avoid It.

Why will people continue to suffer the agonies of kidney complaint, backache, urinary disorders, lameness, headaches, languor, why allow themselves to become chronic invalids, when a tested remedy is offered them?

Doan's Kidney Pills have been used in kidney trouble over 50 years, have been tested in thousands of cases.

If you have any, even one, of the symptoms of kidney diseases, act now. Dropsy or Bright's disease may set in and make neglect dangerous. Read this Scotland Neck testimony:

L. Wilkinson, Scotland Neck, N. C., says: "I have used Doan's Kidney Pills, obtained from E. T. Whitehead Company's drug store, and have had good results. This remedy relieved me of lame and aching back and also regulated the passages of the kidney secretions. I recommend Doan's Kidney Pills whenever I can."

For sale by all dealers. Price 50 cents. Foster-Milburn Co., Buffalo, New York, sole agents for the United States.

Remember the name—Doan's—and take no other.

Hives, eczema, itch or salt rheum sets you crazy. Can't bear the touch of your clothing. Doan's Ointment is fine for skin itching. All druggists sell it, 50c a box.

New Heroines. The novelists of the day are taking the "new" women for their heroines; women whom life has struck blow after blow until they have learned the art of laughter; women who know how to jest in the face of disappointment; women who have a comforting sense of humor.

"My child was burned terribly about the face, neck and chest. I applied Dr. Thomas' Eclectic Oil. The pain ceased, and the child sank into a restful sleep."—Mrs. Nancy M. Hanson, Hamburg, N. Y.

Inspired Famous Hymn. "Jesus, Lover of My Soul" is a hymn around which many traditions and sacred associations cling. The story connected with its origin may be legendary, but it is no less beautiful. Its author, Charles Wesley, was sitting at his desk by an open window when a bird pursued by a hawk flew in. The bird was saved, for the hawk feared to follow it. The bird inspired Wesley to write his famous hymn.

Safest Laxative for Women. Nearly every woman needs a good laxative. Dr. King's New Life Pills are good because they are prompt, safe, and do not cause pain. Mrs. M. C. Dunlap of Leadville, Tenn., says: "Dr. King's New Life Pills helped her troubles greatly. Get a box today. Price, 25c. Recommended by E. T. Whitehead Co."

Banana Skin Law in Brazil. During a Southwark inquest, in which it was suggested that an old man had slipped on a banana skin, a juror said he had been in Brazil, and there if a policeman saw a person throw a banana or orange skin on the roadway that person was at once arrested and fined or sent to prison.—London Daily Graphic.

Diarrhea Quickly Cured. "I was taken with diarrhoea and Mr. Yorks, the merchant here, persuaded me to try a bottle of Chamberlain's Colic, Cholera and Diarrhoea Remedy. After taking one dose of it I was cured. It also cured others that I gave it to," writes M. E. Gebhart, Orville, Pa. That is not at all unusual. An ordinary attack of diarrhoea can almost invariably be cured by one or two doses of this remedy. For sale by all dealers.

Nature's Law. The law of nature is, that a certain quantity of work is necessary to produce a certain quantity of good of any kind whatever. If you want knowledge, you must toil for it; if food, you must toil for it; and if pleasure, you must toil for it.—Ruskin.

Mother of Eighteen Children. "I am the mother of eighteen children and have the praise of doing more work than any young woman in my town," writes Mrs. C. J. Martin, Boone Mill, Va. "I suffered for five years with stomach trouble and could not eat as much as a biscuit without suffering. I have taken three bottles of Chamberlain's Tablets and am now a well woman and weigh 163 pounds. I can eat anything I want to, and as much as I want and feel better than I have at any time in ten years. I refer to anyone in Boone Mill or vicinity and they will vouch for what I say." Chamberlain's Tablets are for sale by all dealers.

Beauty Hint. Red elbows, says the Evening News, are happily a thorn which may be removed. Saw off the red elbows, soak them in a bleaching mixture of unslaked lime, steep them in carbolic acid, and they will never trouble you again. Cold feet may be treated similarly.

Depository. is often caused by indigestion and constipation, and quickly disappears when Chamberlain's Tablets are taken. For sale by all dealers.

BABY MIDSHIPMEN.

In the Old Days When Children Were Sent to War.

Among other improvements in the art of war as attained by the world in these later days is the abolition of the practice of sending children to sea, as was the case when the midshipmen of the old "oak walls" of England often were boys of less than fourteen years.

The Marquis of Dufferin and Ava in telling about the siege of Bomarsund, in the Crimean war, which he witnessed, told the story of one of these little fellows. "What pleased me most during the whole business," he says, "was the gallant behavior of a little midshipman, a mere child, thirteen or fourteen years of age. About the time when the fire became pretty hot I happened to come across him, and, as he seemed to be as much out of a job as myself, I touched my cap and took the liberty of observing that it was a fine day, to which he politely replied that it was. "Encouraged by his urbanity, I ventured to ask him how long he had been at sea, to which he answered, 'I have only left my mamma six weeks, but I ain't going to cry on her majesty's quarterdeck,' a remark which I think is worth recording as many a one made by more illustrious heroes. Soon after this, however, a man was killed close to him, and the little fellow fainted and was taken below."

OUR USELESS BUFFALOES.

They Have Passed Away Because They Were Economically Unfit.

As a typical species of American fauna the buffalo had his place in our history, but take him by and large he was a rather useless beast, with no adaptability for civilization. He served his purpose on the plains when men led a nomadic life there and existed on his rifle. But as soon as the range land, over which the buffalo "ranged" in countless thousands, became fit for settlement the buffalo was decidedly de trop.

Very little of him was fit to eat. He was worth a bullet when there was no other meat to be had, but a people accustomed to modern steaks and roasts would find him not overappetizing once the novelty wore off. In a word, the buffalo was economically unfit, and he went the way of the unit.

Had he been conserved he might now be affording opportunity for big game hunters to enjoy themselves in moderation. They are really the only persons who have suffered by his disappearance. To preserve the buffalo as a specimen in our zoos is proper. He is a curiosity and has a historical value. But entirely too many tears have been shed over his destruction. One steer was and still is worth a dozen bison.—Seattle Post-Intelligencer.

Caught a Bad Cold.

"Last winter my son caught a very bad cold and the way he coughed was something dreadful," writes Mrs. Sarah E. Duncan, of Tipton, Iowa. "We thought sure he was going into consumption. We bought just one bottle of Chamberlain's Cough Remedy and that one bottle stopped his cough and cured his cold completely." For sale by all dealers.

J. W. SMITH COAL CO.
STATEMENT

To the Consumer

Will 15 tons of hard coal at \$9 per ton. Paid \$135.00

COLE'S ORIGINAL HOT BLAST HEATER

One-half of your coal—and it did you no good. Hard luck that. But there is a way to fix it. Here's how:

That stove of yours has seen its best days. You need a new one. You know it—but you have let things drift along.

Meanwhile, you have been losing HALF of every hod of coal you have put in it.

Of course, you knew it, but you did not think of it that way. You know that half of every lump is gas. Fail to burn that gas and it is like throwing into the ditch half of every dollar you spend in coal.

Rather extravagant? Yes?

The ordinary stove made of a lot of separate castings leaks air. They leak air at the wrong place. Places you can not control.

RESULT—the best part of your coal—the 14,000 cubic feet of common illuminating gas that is in the average ton of \$3.00 soft coal—goes up the flue unburned.

You have lost it. It has gone up in smoke.

Save that gas—mix it properly with air and you have the hottest kind of a blue flame. But there is only one way to do this—

Buy the only heater that is made tight—holds tight—stays tight.

Cole's Original Hot Blast Heater

It leaks no air.

This is the heater that mixes the gas and air and gives you all the heat in the coal.

This is the heater that burns any kind of coal and makes a ton of \$3.00 soft coal do the work of \$8.00 hard coal in a high priced base burner.

This is the heater that is a joy and comfort to the housewife. It makes no dirt or smoke in the house.

This is the heater that saves labor—fix it in the morning and at night and FORGET IT THE REST OF THE TIME.

This is the heater that gives a steady, constant heat from soft coal or lignite.

This is the heater that will hold its fire untouched for a day and a half.

This is the heater we sell you under a guarantee that is as "good as old wheat at the mill." Burns soft coal, lignite, slack, hard coal or wood.

It is just the kind of a heater you want. Come in and see it.
